You’re visiting the Western Cross Timbers, where Native Americans, legendary cattlemen, and health seekers all found sustenance. Choose from nearby waterfront trails, or explore the scenic backcountry Cross Timbers trails.

STAYING SAFE

- KNOW YOUR LIMITS.** Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.
 - DRINK PLENTY OF WATER.** Your body quickly loses fluids when you’re on the trail. Bring a quart of water per hour of activity.
 - TELL OTHERS WHERE YOU’LL BE.** If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.
 - WEAR A HELMET WHEN BIKING.** Check with park headquarters to match the ride to your skill level. Wear a helmet to protect yourself in case of a crash.
 - POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE.** You’ll see them more easily if you stay on trails.
 - CLIMB SMART.** All climbers and rappellers must check in at headquarters. Climbing and rappelling permitted only in Penitentiary Hollow.
- ### TRAIL ETIQUETTE
- Trash your trash.** Keep the park natural. Pack out all of your trash and Leave No Trace.
 - Leave feeding to nature.** Feeding wild animals will make them sick and more likely to harm people.
 - Take only memories and pictures.** Please don’t disturb or remove any of the park’s plants, animals or artifacts.
 - Campfires are permitted only in designated rings.** Ground fires are not permitted in the primitive camping area or backcountry trail area.
